

Modern Slavery and Anti-Human Trafficking Statement

Wastege Waste Management Limited is committed to conducting all business operations with absolute honesty, transparency, and ethical integrity.

We maintain a zero-tolerance approach to modern slavery and human trafficking in all forms.

We are dedicated to implementing and enforcing effective systems and controls to ensure that slavery is not taking place anywhere within our own business.

Our Commitments

- **Ethical Conduct:** We act professionally, fairly, and with integrity in all business dealings and relationships, regardless of location.
- **Supply Chain Vigilance:** We continuously review and audit our processes to ensure that potential risks are identified, assessed, mitigated, and monitored.
- **Transparency:** Our zero-tolerance stance is communicated to all suppliers, contractors, and business partners at the outset of our relationship and reinforced during contract renewals.

Training and Awareness

To ensure a high level of risk awareness, Wastege prioritises education across the organisation:

1. **Mandatory Awareness:** All employees are briefed on this statement and its implications for our industry.
2. **Specialised Training:** Regular, targeted training is provided to relevant staff to ensure they can effectively identify signs of exploitation and understand the formal channels for reporting suspected cases.

Responsibility and Accountability

We expect the same high standards from all of our contractors, suppliers, and other business partners. We are committed to working collaboratively with our supply chain to improve transparency and eradicate unethical practices.
